# IRRV FORUMS SERVICE 2024

The Forum Subscription year runs from 1st January until 31st December. Organisations can join at any time of the year on payment of a pro-rata subscription. The Forum Service is aimed at those involved in (or with an interest in) Business Rates, Council Tax, Sundry Debts and Welfare Benefits. It enables members to network with practitioners working within the above areas of the profession. At a time when budgets are being cut, can one afford not to be an IRRV Forum Service member?
